Welcome!

You are invited to apply for membership of the Club or renew your existing membership for the season 2022 to 2023. The main Winter season starts on Monday 26 September 2022 and closes on April 7 2023. Summer sessions will be available, as advertised in the pavilion, nearer the time.

You will be allocated two playing sessions a week, hopefully on times that you requested but morning sessions are popular and do not always have spaces. Sessions are allocated in the order in which Applications are received so don't delay getting them in! There are also extra 'open play' sessions as posted on the Notice Board. In addition, you can enter the Club league competition and other competitions as listed at 'Section Four' of these forms. It will make for better sessions if you attend every session and let your session steward know if you are unavailable for any length of time.

If you are new to indoor bowling we recommend our 6 week Trial Membership for £25. This fee will be deducted from your subscription if you then decide to become a Full Member. We will give new bowlers at least two free coaching sessions to ensure that they will be able to reach an acceptable standard before being accepted as Full Members.

If you are joining as a non-playing member, you must check session availability with the Membership Secretary if you want to return to playing and paying the additional subscription.

We are a small club and do not have 'Safeguarding' facilities and so regret that we are unable to accept Applications from minors or vulnerable adults.

These forms must be returned to me.

We are a members club, run by members for the members and expect you to read the extracts of our Rules and Byelaws that will be included with your membership card, it makes for a happier, fairer club! We try not to be stuffy, courtesy should be natural, and 'Bowling Etiquette' is as important as 'Bowling Rules' (our coaches will give you guidance sheets if you are new to bowls).
