I wish to apply for a 4 week trial membership to the New Milton Indoor Bowling Club (the Club). I understand that I will be offered two bowling sessions of two hours each week. Whilst the Club will endeavour to offer sessions at convenient times that cannot be guaranteed.

Trial Membership (4 weeks) £25.00 by cash or cheque made out to New Milton Indoor Bowling Club.

We hope you enjoy playing with your group and that you will decide to become a Full Member of the Club. The cost, less your trial membership fee, is based on £3 per two hour session for the remaining balance of the main Winter Season. Members are allocated two sessions of two hours each week.

As you joined as a Trial Member on _____ your subscription for the rest of the year will be £_____ less £25.00 = £_____ Your Membership includes your locker fee. Regrettably we are unable to refund Membership Fees.

Full Members also have the opportunity to join in Open Play, Friendly Matches and Summer sessions as posted on the notice boards for an additional cost of £3 per game.

At the beginning of the season Full Members can also join the Wednesday League where you would typically play in many of the matches during the season. The cost is £3 for each game in which you play.

You are reminded to please arrive promptly for your sessions and change into bowling shoes on arrival at the Club. The dress code is a white top with grey below the waist.

Your personal data will only be used in accordance with the Clubs Data Protection Policy.
